

STATEMENT AT THE CLOSING CEREMONY OF THE 4TH IACA ASSEMBLY OF PARTIES

11 December 2015

Delivered by the representative of the Presidency,
H.E. Mr. Adetakun Abel Ayoko

As we come to the end of the 4th Assembly of Parties, there is no iota of doubt in my mind that it has been a successful conference. IACA today is a young but dynamic and focused international organization. Thanks to the Parties for their support. Without your support IACA cannot record these fantastic success stories on record time.

I want to specially thank the Dean and Executive Secretary, Martin Kreutner, and his team at the secretariat for their commitment. They have done everything within limited resources to ensure the success of the 4th Assembly.

I also want to express my thanks to the interpreters and the conference staff. I want to thank our host Austria for their continued hospitality and contributions to the success story of IACA. My special appreciation to the amiable Minister of Interior of Austria for hosting a sumptuous gala dinner.

Finally, on behalf of my country, Nigeria, I want to thank the Assembly of Parties for the confidence reposed in us to lead the Organization for the next year. Our election to the Presidency of the Assembly of Parties and indeed the election of Nigeria's candidate as the first African to the Board of Governors, signifies our genuine interest in IACA and its ideals.

The new president of Nigeria, H.E. Muhamadu Buhari is committed sincerely to the fight against corruption in all its facets.

We look forward to working with you in 2016.

Once again thank you and goodbye. See you at the 5th Assembly.

Au revoir!
Ciao!
Odabó!
Auf Wiedersehen!

The fourth Assembly of Parties is hereby declared closed. Gavel.
